Topic 1

- Imagine there emerged a nascent technology that allowed people to know when and how their life would end. Would you use it, and why?
-

Topic 2

- If you could make a promise that must be carried out, what would it be and why?
-

Topic 3

- Imagine a world where every story must end definitively, with no ambiguity or open interpretations. What would this world look like?
-

Topic 4

- Are we there yet?
